

RED BLEND 2010

Tarapaca's Etiqueta Azul is made only in the vintages that are considered extraordinary in the D.O. Valle del Maipo. The 2010 vintage was a cool growing season producing wines with herbal black fruit flavors, rich middle palate and silky tannins that drink well on release but that will age nicely. The 2010 is sourced from five different vineyard lots in the D.O. Valle del Maipo.
