*Chardonnay* **LOT 5** D.O. XXXXX VALLEY 20XX

Leyda is a recently discovered area, located 12 km from the Pacific Ocean. Its proximity to the sea and the cool conditions of spring and summer makes it an ideal spot for the development of Chardonnay. Lot 5 represents a natural concept in winemaking respecting fruit and origin. The result is a unique and complex wine, with strong cool climate character, great diversity of flavours and layers, together with a smooth texture and a bright and mineral acidity.
