CASA RIVAS
MERLOT RESERVA

Viña Casa Rivas is located in the Maipo Valley, in the foothills of the West Coast range of mountains. The vineyards are sited on sandy, granitic soils that are naturally low in fertility. Viticulture is carefully managed, restricting irrigation and yields in order to produce high quality grapes that reflect the terroir. The wine was aged in French oak barrels for 8 months, prior to being bottled unfiltered.

Imported by Adnams Plc,
