CASTILLO DE
MOLINA

RESERVA
Rosé
sustainable winegrowing

Castillo (castle), a symbol of distinction, and Molina, the place where Viña San Pedro originates; the expression of the majestic and sublime terroir, which gives rise to this wine: *Castillo de Molina*. The grapes for this wine are harvested by hand during the early hours of the morning, when the sun first appears and paints the sky pink. At that time, the temperature is perfect to balance acidity and freshness: crafting this rosé to be paired exquisitely with a delicious meal.
