SAUVIGNON GRIS 20XX
D.O. XXXXX VALLEY
WINE OF CHILE / VINO DE CHILE

In the recently discovered Leyda Valley located only 12 km from the Pacific Ocean, Leyda Vineyard has developed this extravagant and innovative Sauvignon Gris. Given the cold conditions of this valley, with low temperatures throughout the year and the constant breezes that it receives directly from the sea, the Sauvignon Gris matures slowly in time developing the ideal aromas, flavors and acidities, which last up to the moment of the harvest. The selected block KADUN, divided in two lots, with a southwest and northwest exhibition, allow this grape to have diverse aromas and flavors, which harvested in different dates give complexity to this blend. Fresh and fruity, this exotic wine is elegant, expressive, and concentrated, with ripe fruit and species, that shows the minerality of this terroir. In palate it is fruity concentrated with good volume and juicy acidity and lingering finish.
