ROSARIO

SAUVIGNON BLANC

Rosario Wines come from Chile's Valle Central, a region with an extraordinary combination of soil, sun exposure, temperature and humidity, that is extremely beneficial for the production of high quality grapes. Through a careful grape selection from the right terroir for each variety, we promote the production of high quality, complex and balanced wines.

Rosario Sauvignon Blanc is a blend of citrus flavours with the herbal and spice notes that are the hallmark of the varietal.
