TARAPACÁ®

SAUVIGNON BLANC

Terroir La Isla

The Leyda Valley, which overlooks the Pacific Ocean, is located in a cool climate area where the ancient decomposed granite soils of Chile's Coastal Range combine with the climatic conditions and lend mineral notes to the wines produced there. La Isla is a blend of tank-fermented Sauvignon Blanc that showcase the intense aromatic qualities and mineral notes of the Leyda Terroir. This wine presents citrus fruit aromas and flavors combined with flinty mineral notes on the palate, crisp natural acidity and long lingering flavors.
