Viña Leyda's Costero range highlights the long and diverse Chilean coast. We have selected representative images of our seashore taken by famous Chilean photographers for our labels.

Viña Leyda lies close to the Pacific Ocean in the coastal Leyda Valley. Due to the maritime influence, with ocean mists in the morning and cool sea breezes during the day, the temperatures in the valley stay low which helps the slow maturation of the grapes.

Raspberries and cherries, together with spicy flavours, white pepper and floral hints, are typical of this cool dimate Syrah, giving complexity to the wine. On the palate it is elegant, with well structured tannins, fresh acidity, and a lingering intensity of vibrant fruit.
