

CASA RIVAS

MERLOT

Viña Casa Rivas is located in the Maipo Valley, in the foothills of the West Coast range of mountains. The vineyards are planted in granitic origin soils with sandy textures and low natural fertility. A careful viticultural management restricting irrigation and yields is followed to produce high quality grapes that reflect the natural conditions of this terroir. The wine was aged in French oak barrels for 8 months before bottling. Bottled unfiltered.

Indeholder sulfitter Sisaldob sulfittid Contains sulphites ;
