

LEYDA

CHARDONNAY

D.O. LEYDA VALLEY

This Leyda Chardonnay comes from our own vineyards located in the recently discovered Leyda Valley, located 12 Kms from the Pacific Ocean. Its closeness to the sea makes it a unique spot for viticulture. Its cool conditions during spring and summer due to maritime influence and summer breezes make it an extraordinary area for the development of Chardonnay.

An intense viticulture management and a careful winemaking are involved in the production of this fresh and complex wine. Ripe citrus and mineral aromas and a creamy palate make this Chardonnay the perfect wine to share in any occasion.
