

CASA RIVAS
CABERNET SAUVIGNON

Viña Casa Rivas is located in the Maipo Valley, in the foothills of the West Coast range of mountains. The vineyards are planted in granitic origin soils with sandy textures and low natural fertility. A careful viticultural management restricting irrigation and yields is followed to produce high quality grapes that reflect the natural conditions of this terroir. This wine has intense aromas of black fruits and cassis. It was aged during 10 months in french oak barrels. Bottled unfiltered.
