

CASA RIVAS CHARDONNAY

Viña Casa Rivas is located in the Maipo Valley, in the foothills of the West Coast range of mountains. The vineyards are planted in granitic origin soils with sandy textures and low natural fertility. A careful viticultural management restricting irrigation and yields is followed to produce high quality grapes that reflect the natural conditions of this terroir. 50% fermented in French oak barrels and aged during 6 months with a weekly batonnage. Fresh notes of tropical fruits and a well balanced acidity make this wine a perfect combination for sea food, fish and cheese.
