SAUVIGNON BLANC 20xx

This premium Sauvignon embodies our philosophy of producing wines which truly express their origins. The coastal vineyard grapes were gently hand-harvested in the early hours of the morning to retain their crisp fruit character. The result is a very expressive wine with fresh citrus fruit and peach aromas and flavours.

Elegant and well-balanced with a long, satisfying finish, it makes the perfect aperitif and a fine partner for seafood, chicken and asparagus.
