CABERNET SAUVIGNON

Our Caberner Sauvignon is a blend of diverse blocks within Majpo Valley which represent the different characteristics that are present in it. This wine was aged in French and American oak barrels for 16 months; it displays a violet red colour, aromas of robacco leaves, mushrooms and dry berries, along with a delicate hint of menthol. In the mouth it is rich, full of black fruit flavours together with hints of herbs, notes of liquorice and spices; firm tannins and a balanced acidity.
