2006

The union of two oceans, the Pacific and the Atlantic, in the most southern zone of Chile, makes Cabo de Hornos a unique place on earth, just as unique as the character of Viña San Pedro's icon wine.

This wine embodies the elegance of Viña San Pedro's finest grapes, mainly from Curicó Valley more than a half century old vines, some vines from Alto Cachapoal Valley which delivered red fruit to this red wine and grapes from Maule Valley which added juiciness on the palate and a long finish.

After 18 months of aging in French oak barrels, the wine is bottled unfiltered and then aged for another year in the bottle.

Cabo de Hornos is deep ruby red in color with very concentrated fruit and spices, ripe round tannins and superb balance and elegance.
