PINOT NOIR

D.O. SAN ANTONIO VALLEY

San Antonio is a recently discovered area, located 12 km from the Pacific Ocean. Its proximity to the sea makes it an ideal spot for viticulture.

Due to the maritime influence, the cool conditions of spring and summer makes it an extraordinary area for the development of Pinot Noir.

The vineyards are all on slopes, planted on the least fertile soils and they are managed in order to keep low yields. An intense aroma of summer berries coupled with a rich and rounded palate of ripe cherry fruit a supple tannins.

14.5% Vol. 75 cl.
