D.O. LEYDA VALLEY COOL OCEAN VINEYARDS WINE OF CHILE

Leyda Valley is a unique area in Chile located only 7 km from the Pacific Ocean. Due to the maritime influence, the coastal climate conditions with spring and summer breezes make it an extraordinary cool area for the development of Sauvignon Blanc. An intense viticultural management and a careful winemaking are involved in the production of this fresh and fruit driven wine. Grapefruit and peach aromas, together with a crisp palate, create a perfect wine to share in any occasion.
