WINE OF CHILE

Leyda is a recently discovered area, located 12 km from the Pacific Ocean. Its proximity to the sea makes it an ideal spot for viticulture. Due to the maritime influence and the cool conditions of spring and summer, this is an extraordinary area for the development of Pinot Noir. The vineyard are all on slopes, planted on low fertile soils and they are managed in order to keep low yields. Clean and direct fruity nose, with hints of red cherries, raspberries and a subtle wild herb note. Delicate and refined on the palate. Juicy with ripe flavours of berries combined with mineral notes and lively acidity.

Produced and Bottled by Viña Leyda S.A, Avda. Vitacura 4380, Piso 6, Vitacura, Santiago, Chile. [www.leyda.cl](http://www.leyda.cl)  
Imported by MWW Ltd, WD25 8WW, UK.
