Chilean Pinot Noir 2011

Valle de Casablanca

An elegant wine bursting with flavours of cherry, strawberry and plum, underpinned by subtle notes of sweet spice. The wine is aged in French oak barrels to give it a silky smooth texture and hints of vanilla.

This Pinot Noir is produced in Chile's Casablanca Valley which nestles between the Andes and the Pacific Ocean. Here, the near perfect growing conditions produce wines of great fruit intensity. The Santa Helena winery creates wines of character with fruit from their own vineyards that truly reflect their origin.

This supple red makes a great partner for roast pork or duck.
