Photographer: Pablo Valenzuela

Coast: Cobquecura, Agujero del Puelche, VIII Región, Chile

Costero range highlights the long and diverse Chilean coast. We have selected representative images of our seashore taken by famous Chilean photographers for our labels.

Raspberries and cherries, together with spicy flavours, white pepper and floral hints, are typical of this cool climate Syrah, giving complexity to the wine. On the palate it is elegant, with well structured tannins, fresh acidity, and a lingering intensity of vibrant fruit.
