

SAUVIGNON BLANC 2009

The 2009 vintage is sourced from two valleys: 85% of the blend comes from Casablanca Valley and the remaining 15% is sourced from two different blocks in Leyda Valley. This wine displays a brilliant yellow colour with greenish hues; aromas of tropical fruits and tangerines together with a hint of minerals and toasted bread. The mouth is rich, with flavours of white nectarines, green pineapples and a lemongrass finish. All of its flavours are richly expressed, from its notes of tropical fruits to its mineral hint in the finish, in addition to its great natural acidity.
