90mm A Leyda is a recently discovered area located 12 km from the Pacific Ocean. Garuma Vineyard is planted on a west facing slope with plenty of cool breezes from the coast that determines a slow and steady ripening process. After a careful fermentation, this wine was left on its lees for 4 months. Ripe citrus aromas such as grapefruit combine with fresh green limes on the nose. On the palate this wine is fully concentrated and fresh, with mineral tones at the front, a rich mid palate and a well balanced grapefruit character on the finish.
