Chilean ancient cultures were exceptionally rich civilizations, capable of building sophisticated urban emplacements and a prosperous way of life. Placed on the unique Atacama Desert, the Pukara of Turi was built in the 10th Century AC and is one of the evidence we can see nowadays. Turi Merlot is sophisticated and complex in nose. It is a fruit driven style of wine, with dark and red fruit, such as plums and cherries with chocolate hints. With a sweet and soft palate, nice textured tannins and a fruity ending, makes it a perfect wine to enjoy with red meat, pastas and stews. VALLE CENTRAL WINE OF CHILE
