*Leyda Valley*  
*Sauvignon Blanc*  
*2010*

Avery's Pioneers Range was launched to highlight the type of wines that initially excited John Avery about the new world. We hope that they excite you too.

Leyda Valley is a recently discovered region which is perfect for producing Sauvignon Blanc due to the maritime influence.

Working with Viña Leyda we have blended this wine from parcels from their own vineyards. It displays grapefruit and peach aromas with an intense, fresh fruit palate. Enjoy with seafood or as an aperitif.
