Vintage D.O. COLCHAGUA VALLEY

Excellent weather conditions until late May made it possible to obtain full ripeness, deep concentration and the correct tannins development on our grapes. This wine comes from a patient and careful selection of two different lots of Syrah and Carmenère. French oak barrels were carefully selected in order to obtain the structure, complexity and elegance that this blend shows.

Blackcurrant, berries and violets join together in a round and full bodied wine. Character, complexity and elegance are characteristics of this unique Vintage.

PRODUCED AND BOTTLED BY VINA LEYDA S.A., SANTIAGO, CHILE.
