LOT 21

Our Pinot Noir "Lot 21" is proof of Viña Leyda's commitment to the development of the Leyda Valley as a world class Pinot Noir producer.

Carefully selected parcels from our vineyards, 70% of the grapes were hand-pressed, using the French method, pigeage, to achieve fruit concentration and elegance. After completing our rigorous selection among our finest lots, we have created the "Lot 21" from the best ten barrels, where they achieved nice volume and a rich mouth-feel. The "Lot 21" has an elegant and complex nose with intense aromas of strawberries, black cherries and herbs. This wine is rich and concentrated, but has gentle tannins, good structure and a long fruity aftertaste. Only 250 cases were produced.
