*Pinot Noir*

This 100% Pinot Noir comes from Cahuil Vineyard, in the recently discovered Leyda Valley, located 12 Km from the Pacific Ocean.

Due to the maritime influence, the cool conditions of spring and summer makes it an extraordinary area for the development of Pinot Noir. It was planted on a slope facing the west, searching for the least fertile soils and the best exposure to sunlight. The production in this block was 4 tons per hectare.

Elegant and concentrated with fresh red berries and spices. Bright, ripe and rounded with mature tannins and long persistence.
