Secano Estate 2010
PINOT NOIR

Enticing flavours of ripe cherries, wood smoke and mint come together in this generous yet beautifully smooth red. Chile is well known as a producer of excellent value Pinot Noir which combines engaging character with real grace, and this delightful red is a case in point. The grapes were grown close to the chilly Pacific Ocean in the premium area of Leyda, where sunny mornings give way to foggy, windswept afternoons, resulting in wines of great aromatic vibrancy and powerful yet elegant flavours. Winemaker Viviana Navarrete aged half of the wine in French oak for five months for extra complexity. Enjoy it with lamb chops or marinated pork stir fry.
