LEYDA

Sauvignon Blanc

Leyda SAUVIGNON BLANC Garuma Vineyard is made from single vineyard estate grown fruit from the newly recognized Leyda Valley DOC. Leyda Valley is located next to San Antonio Valley just 12 kms from the Pacific Ocean. The Garuma Vineyard is planted on the steepest slopes facing a south-westerly direction allowing for plenty of sunshine and exposure to the cool maritime breeze which allows for a slow and steady ripening process. This wine displays ripe citrus fruit and fresh green lime aromas. On the palate it is concentrated yet fresh with notes of minerality leading into a rich mid palate and notes of grapefruit on the finish.
