1865
Single Vineyard

SYRAH 200X
CACHAPOAL VALLEY

Each of the wines from the 1865 line comes from its own selected vineyard planted with a specific variety. Each "single vineyard" is carefully managed in accordance with the conditions of its grape variety, soil and climate—or terroir—to produce wines with consistently unique personalities and quality.

1865 Syrah comes from our property on the heights of the Cachapoal Valley. The vineyards, located 700 mts. above the sea level, on the Andes Mountain's slope, provides it with special features. The 24°C differential between day and night time temperatures, and the average summer highs which stay under 27°C, allow the grapes to ripen slowly. The poor and colluvial vineyard's soil, delivers very balanced plants. These conditions give rise to an outstanding Syrah, with surprising freshness, fruit concentration, and a very particular spicy character.

This wine is bottled unfiltered to preserve all its qualities.
