Chardonnay

Leyda is a recently discovered area, located 12 km from the Pacific Ocean. Its proximity to the sea makes it an ideal spot for viticulture. Due to the maritime influence, the cool conditions of spring and summer make it an extraordinary area for the development of Chardonnay.

The vineyard are all on slopes, planted on the least fertile soils and they are managed in order to keep low yields. An elegant and restrained chardonnay with ripe citrus aroma, medium body, fresh palate and persistent finish. It has been carefully aged in French oak to preserve the fruit.
