Riesling

Leyda Valley is a recently discovered area located 12 kms. from the Pacific Ocean. Its proximity to the sea makes it an excellent spot for viticulture as the maritime influence and cool conditions of spring and summer are ideal for the development of Riesling.

The Neblina Vineyard is planted on a west facing slope with plenty of cool breezes from the coast that determines a slow and steady ripening process. Also, the granitic soil of this block gives an extra dimension of freshness to the wine.

Charming youthful Riesling characters of limes, lemons and orange blossom combined with intense floral notes. On the palate is fresh, dry and mineral, with a harmonious balance between intense fruit, crisp acidity and soft texture.
