CASTILLO DE
MOLINA

We search for the best valleys.
You found
Castillo de Molina.

In 1865 the founders of VSP embarked
on a quest to find the very best location
for a new winery to create exceptional
wines, from exceptional soils.

Castillo de Molina was born.

To this day the Castle ruins of Molina can
still be seen dominating the surrounding
vineyards from this award winning winery,
whose mantra remains to grow

*"The best grapes, from the best
Valleys in the best vineyards"*
